## Horse Power and elegance and stunning mountain backdrop – Hublot Polo Gold Cup Gstaad.

Crowds of fun loving spectators from around the world have descended upon the picturesque village of Gstaad for a weekend of world-class polo and entertainment at the 20th edition of the Hublot Polo Gold Cup Gstaad Tournament. In unique circumstances Team E.I. Sturdza Investment Funds and Team SIR, new to the tournament this year, have tied in first place and will share the 2015 Hublot Polo Gold Cup Gstaad Trophy. Following much deliberation from the tournament officials the decision was made to change the format of the final of the Hublot Polo Gold Cup Gstaad. The 3rd and 4th place went to Team Banque Baring Brothers Sturdza SA and Team Gstaad Palace. Taking into consideration the safety of the players and ponies, the waterlogged pitch was deemed too dangerous to play a competitive match. The crowds were not left unsatisfied, the announcement was made the final would be replaced by a 4-chukka exhibition match. The four team-patrons and the four best players of the tournament were split into two teams to play in a non-competitive manner. Off the field the 20th anniversary of the Hublot Polo Gold Cup celebrations continued. Spectators were wowed by the magnificent air display from Fly 7 Executive Aviation.
