Like many outdoor sports event organizers, our greatest concern in recent years has been the weather. Fortunately, this year, we were blessed once again with perfect conditions for our event, with dry mountain air and temperatures of 32°C on Saturday and 12°C on Sunday, creating an ideal setting for our sport.

Our turnout was exceptional, starting with the sold-out lunches and gala night in the grand VIP tent, where we served over 1,300 meals. Along the field, spectators enjoyed delicious options from our food trucks, while children played happily in the “Kinder Paradies.” Our sponsor-supported private aircraft display, stationed beside the runway, was also a highlight, attracting many visitors.

We are grateful for the continued loyalty of our partners, many of whom have supported us for years and are now dear friends. The four teams, selected from 14 applications, showcased the highest level of

competition, maintaining fair play throughout. The horses they brought were of an international caliber, enhancing the quality of the matches.

As always, the parade through the streets of Gstaad to kick off the tournament was a resounding success, with large crowds lining the route to cheer on the participants.

That’s why I confidently state that 2024 has been an excellent edition.

A heartfelt thanks to our committee, volunteers, and suppliers for their hard work. Along with our partners, we are already preparing to welcome you to next year’s event, set for August 21-24, 2025.

Pierre E. Genecand, President
